The brand sets the tone for every version: the calligraphic mark in gold, warm timber or stone against white, and Saudi hospitality at the entrance. The three versions differ in footprint, height and the material of the signature wall.

- **One brand, three expressions**
Same lockup, same gold, same welcome
- **Same programme**
Reception, meeting room, hospitality, lounge
- **Pick one, or combine**
Elements can move between versions

OVERVIEW

Three design versions

VERSION 01

Timber slats & gold

A curved wall of oak slats wraps the stand with the mark cut in backlit gold. Backlit campaign graphic in a gold frame, white reception, brochure kiosk, glass meeting room.

Curved slat wall · gold lightbox · brochure kiosk

VERSION 02

White, oak & steel

A tighter footprint with a backlit services panel, brushed stainless reception, white sofas and a glass meeting room. A portrait LED screen on the end column faces the aisle.

Services lightbox · steel reception · LED column

VERSION 03

Travertine curve

A continuous travertine wall carved by one warm LED line. The mark sits large on the stone; a white backlit panel carries the services. Lounge, hospitality ledge and glass meeting room.
